

JEREMY PRESNER

Editor

(347) 497-8354

At nine months old, Jeremy Presner found himself being pimped on a Crisco TV commercial set. He had no choice: his family needed the money!

Many years later, he was hijacked into cutting MTV's *Pimp My House*: otherwise known as *CRIBS*. Between then and now, he's edited feature films, MOWs, TV series, promos, trailers and commercials. In the cutting room, he's rubbed virtual shoulders with Sir Ben Kingsley, Ryan Gosling, Lindsey Lohan, Martin Sheen, 50 Cent and Condoleezza Rice.

What's next for Jeremy? You may have the answer. He loves a challenge – big or small....
